

# SPONSORSHIP

The continued success of the Green Chemistry and Commerce Council (GC3) relies on the continued support of participating companies. We hope you will consider sponsoring the GC3 Innovators Roundtable to be held in Houston, TX on April 26-28, 2010. Sponsorships will be used to offset costs associated with the roundtable, and GC3 operating costs in the coming year.

Event sponsors at the Platinum, Gold, and Silver levels are entitled to complementary registration(s) for their attendees. Other sponsorship benefits are outlined below. For more information, contact Melissa Coffin at (978) 934-2997 or [melissa\\_coffin@uml.edu](mailto:melissa_coffin@uml.edu).
